PATIENT HIPAA AUTHORIZATION FOR USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION

I authorize Neurocrine, companies working with Neurocrine, my healthcare provider and pharmacy to use and disclose to Neurocrine, and companies working with Neurocrine, my Protected Health Information ("PHI"), such as information provided on the INGREZZA Service Request Form, my prescription, insurance, medical therapy information and other PHI for the following purposes: (1) providing financial assistance options, (2) reimbursement support, (3) medication compliance and persistence, (4) information about Neurocrine products and programs, which may from time to time include requests to participate in market research or other initiatives related to my experiences with my condition and/or INGREZZA, and (5) other treatment-related services, including providing information and materials related to the Neurocrine Access Support Program (collectively called "Support Services"). I authorize the disclosure of my PHI to communicate with the point of contact in Section 2 of the Service Request Form. I understand that the companies working with Neurocrine, including my pharmacy, may receive payment for the use and disclosure of my PHI. I understand that once it is disclosed, it may be re-disclosed by the recipient(s). After such a disclosure, the information may no longer be protected by HIPAA or the terms of this authorization against further re-disclosure. I understand that this authorization shall continue in effect for a period of ten years unless a shorter period is required by law. I understand that I may revoke this authorization to use or disclose my PHI by contacting a Neurocrine Access Support Program representative by telephone (1-844-647-3992) or by mailing a letter to Neurocrine, Attn: Neurocrine Access Support Program, 6027 Edgewood Bend Ct., San Diego, CA 92130. I understand that my healthcare provider, pharmacy, and/or Neurocrine will not condition my treatment on signing this Authorization. I can choose not to sign this Authorization. However, if I choose not to sign, Neurocrine will not be able to help me with Support Services as described above. I may obtain a copy of this Authorization upon request.
